

# Accessibility Statement for Swinfen and Packington Parish Council

This accessibility statement applies to <http://www.swinfenandpackington.org.uk/>

**Swinfen and Packington Parish Council** is committed to ensuring online accessibility for all its users, including people with disabilities, and we are always improving our user experience.

## Conformance Status

The [Web Content Accessibility Guidelines \(WCAG\)](#) define requirements for web developers to improve content accessibility that meets the needs of individuals, organizations, and governments internationally. Furthermore, the WCAG explains how to make content more accessible for people with disabilities. There are three levels of conformance: Level A, Level AA, and Level AAA. **Swinfen and Packington Parish Council** is partially conformant with WCAG: AA standard—meaning that some parts of the content on the website are non-compliant with the accessibility standard.
